7 Assembling the Seat Cowl & Taillight

First, assemble each component by following the working method and markings. Then, refer to the illustration and photos below to glue the parts together.

Indication of Working Methods

---> Fold or Curve → Glue

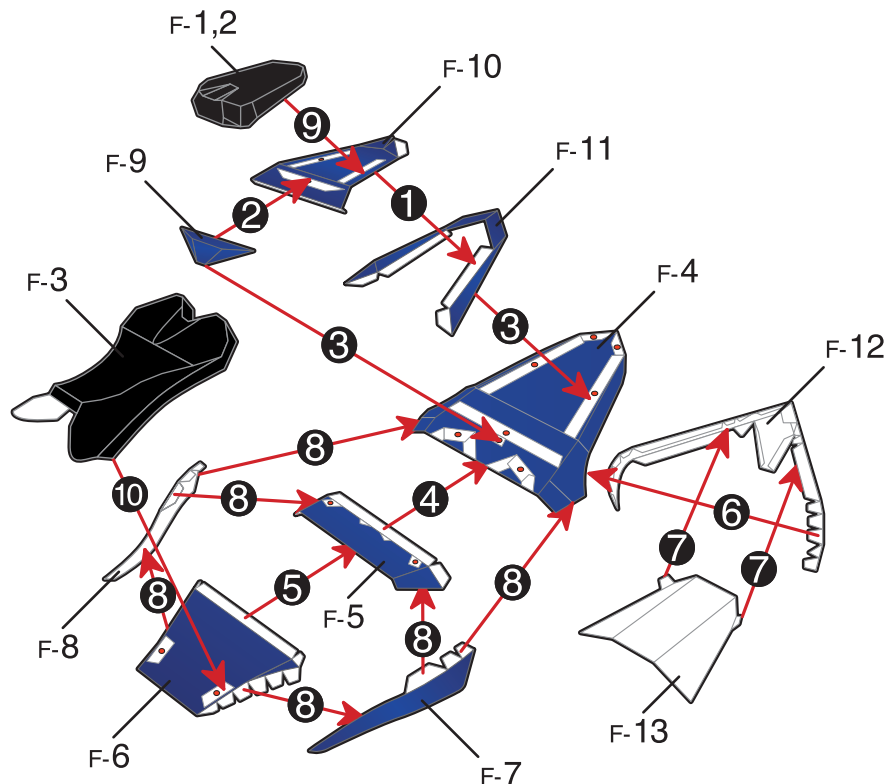

Seat Cowl

Sheet F, 13 parts in total

Fold each relevant part according to the assembly symbols.

Please use the ● dots on each component as reference when gluing surfaces.

Glue in order from ① to ⑩ on the graphic.

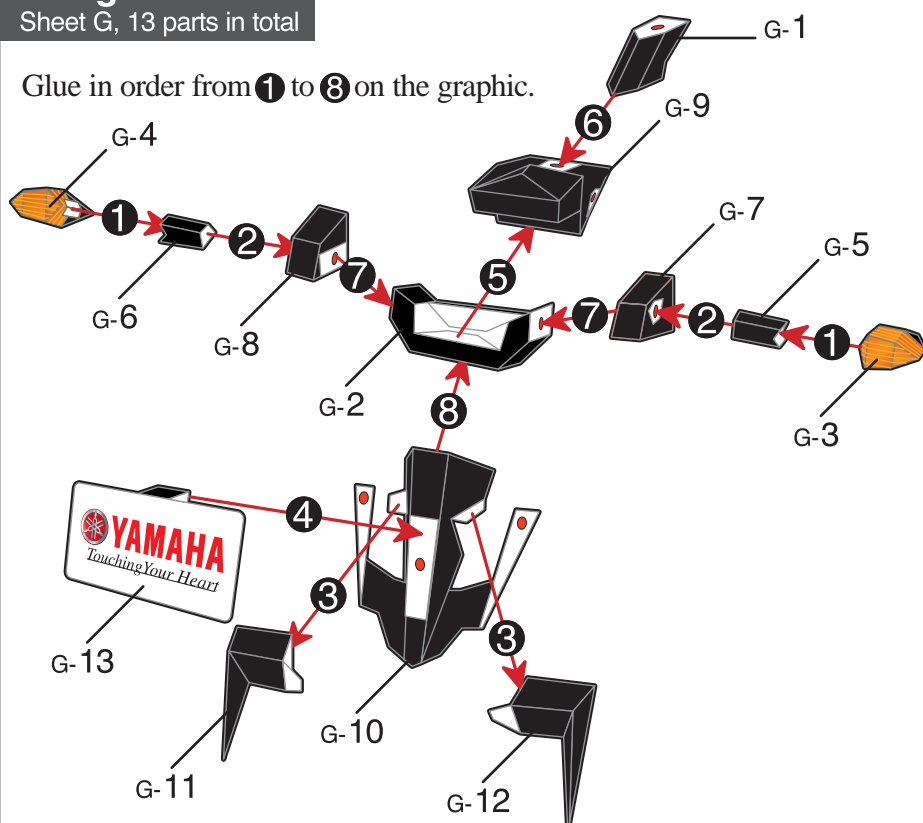

Reference photo

Taillight

Sheet G, 13 parts in total

Glue in order from ① to ⑧ on the graphic.

Reference photo

8 Assembling the Rear Suspension & Rear Arm

First, assemble each component by following the working method and markings. Then, refer to the illustration and photos below to glue the parts together.

Indication of Working Methods

---> Fold or Curve → Glue

Rear Suspension

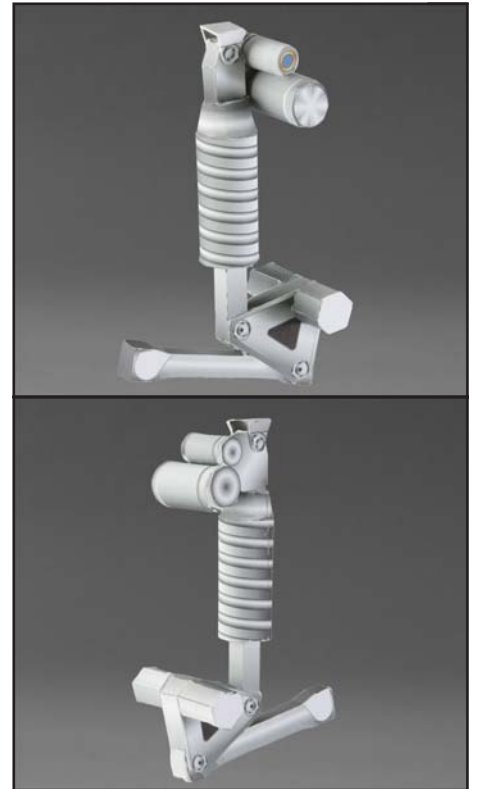

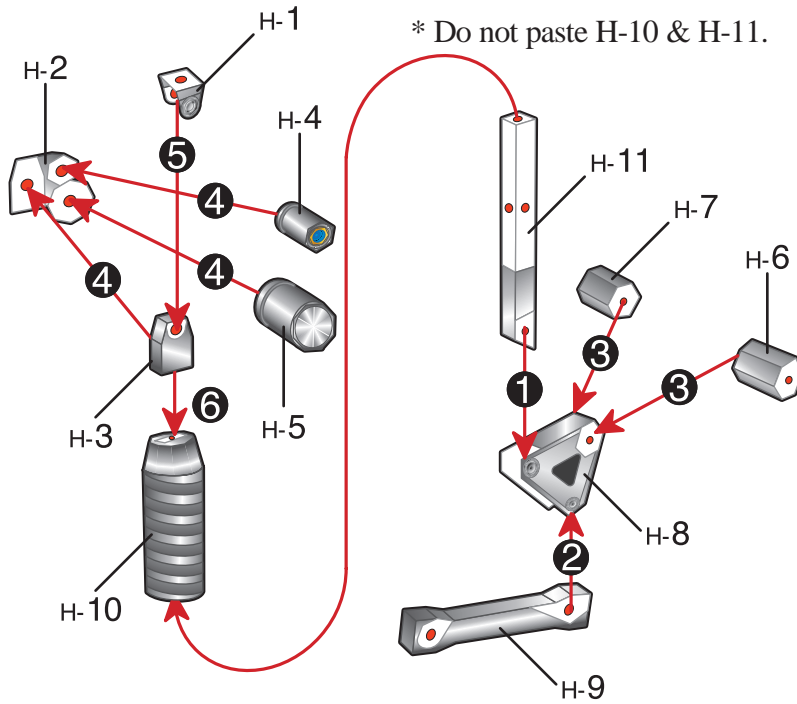

Sheet C, 12 parts in total

Fold each relevant part according to the assembly symbols.

Please use the ● dots on each component as reference when gluing surfaces.

Reference photo

Glue in order from ① to ⑥ on the graphic.

Rear Arm

Sheet I, 15 parts in total

Glue in order from ① to ⑬ on the graphic.
